The SPP will open on 12 August 2020 and is scheduled to close at 5pm (Sydney time) on 4 September 2020 with Shares expected to be allotted on 15 September 2020.

This SPP is optional and the offer is non-renounceable. Accordingly, Eligible Shareholders cannot transfer to other parties their right to subscribe for Shares pursuant to the SPP. 12 August 2020

Offer

Elementos Limited ACN 138 468 756 (**Company**) is offering certain eligible shareholders the opportunity to purchase up to A\$30,000 of fully paid ordinary shares in the capital of the Company (**Shares**) by way of a share purchase plan (**SPP**).

The price per Share under the SPP (**SPP Price**) being offered is A\$0.0055. This is the same issue price as the Shares issued to institutional and sophisticated investors under the private placement announced on 6 August 2020. The SPP Price represents a 27.98% discount to the Company's 5 day volume weighted average price of Shares traded in the ordinary course on ASX prior to the close of trading on 30 July 2020.

The SPP is being conducted under ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547 (**ASIC Instrument**).

The Company also intends to offer successful applicants in the SPP (**Participants**) the ability to subscribe for one (1) option to acquire Shares on the basis of every three (3) Shares issued to the Participant under the SPP, with an exercise price of \$0.009 per Share and expiry of 31 August 2022 (**Options**), for nil additional consideration. The offer of Options will be made to Participants pursuant to a distinct offer to be contained in a prospectus to be sent to those Participants in due course. If the Company does not, for any reason, proceed with the issue of Options (whether due to regulatory restrictions or otherwise), no Participant in the SPP will be entitled to receive, or call for the return of, any subscription monies paid by them under the SPP.

All shareholders who are recorded in the Company's register of members as at 7pm (Sydney time) on Wednesday, 5 August 2020 (**Record Date**) as being holders of Shares and whose registered address is recorded as being in Australia or New Zealand (**Eligible Shareholders**), are eligible to participate in the SPP.

The Company has determined that it is unlawful or impractical for the SPP to be offered to a shareholder whose address on the register of members is a country outside of Australia or New Zealand.

Participation in the SPP by acceptance of the offer:

- (a) is optional for Eligible Shareholders; and
- (b) is subject to these Terms and Conditions.

ASIC Instrument prohibits the Company issuing Shares in accordance with this SPP if the aggregate subscription amount to be paid by an Eligible Shareholder, together

with the aggregate amount paid for any other Shares applied for by that Eligible Shareholder or which a custodian has been instructed to acquire under the SPP on their behalf, or any similar arrangement operated by the Company in the 12 months before the date the application is made, exceeds A\$30,000.

Eligible Shareholders may subscribe for any one of the following parcels (subject to any scale back described below):

	Subscription Amount	Shares to be allotted calculated at the SPP Price

	A\$5,000	909,091

No Eligible Shareholder may be issued Shares if the aggregate application price for those Shares, together with the aggregate amount paid for any other Shares applied for by that Eligible Shareholder or which a custodian has been instructed to acquire under the SPP on behalf of the Eligible Shareholder, or any similar arrangement operated by the Company in the 12 months before the date the application is made, exceeds A\$30,000. Any applications from Eligible Shareholders which results in this limit being exceeded will be read down. Any surplus funds will be returned to such Eligible Shareholders without interest.

Offers non-renounceable

Offers made under the SPP are non-renounceable. Eligible Shareholders cannot transfer their right to other parties to subscribe for Shares under the SPP. Acquisition by an Eligible Shareholder of additional Shares or a new separate holding of Shares before the Closing Date, will not give rise to any additional right to subscribe for Shares under this SPP offer.

Single Eligible Shareholders

Eligible Shareholders that receive more than one offer under the SPP, for example due to multiple registered holdings, may only apply for an aggregate of up to A\$30,000 worth of Shares (one maximum parcel).

Joint Eligible Shareholders

Eligible Shareholders that are recorded on the Share register with one or more other persons as the joint holder of Shares are considered to have a single registered holding for the purpose of the SPP. If the same joint holders receive more than one offer under the SPP due to multiple holdings, the joint holders may only apply for an aggregate of up to A\$30,000 worth of Shares (one maximum parcel).

Custodians, trustees and nominees

A custodian, trustee or nominee within the definition of "custodian" in the ASIC Instrument, or in any other ASIC relief granted to the Company in relation to the SPP (**Custodian**) who holds Shares on behalf of one or more persons (**Participating Beneficiary**), may apply for up to a maximum of A\$30,000 worth of Shares for each Participating Beneficiary, subject to providing notice in writing to the Company (by way of Custodian Certificate) certifying the following:

- (a) that either or both of the following apply (as applicable):
 - (i) that on the Record Date, the Custodian held Shares on behalf of one or more Participating Beneficiaries;
 - (ii) that on the Record Date another Custodian (**Downstream Custodian**) held beneficial interests in Shares on behalf of one or more other persons (each a Beneficiary), and you hold the Shares to which those beneficial interests relate on behalf of the Downstream Custodian or another Custodian;
- (b) that each Participating Beneficiary has subsequently instructed the Custodian or the Downstream Custodian (as applicable) to apply for Shares on their behalf under the SPP;

- (c) the number of Participating Beneficiaries;
- (d) the name and address of each Participating Beneficiary;
- (e) the number of Shares that the Custodian holds on behalf of each Participating Beneficiary;
- (f) the number or dollar amount of Shares which each Participating Beneficiary has instructed the Custodian, either directly or indirectly through another custodian, to apply for on their behalf;
- (g) that there are no Participating Beneficiaries in respect of which the total of the application price exceeds A\$30,000 worth of Shares, calculated by reference to Shares applied for by the Custodian on behalf of each Participating Beneficiary under:
 - (iii) the SPP; and
 - (iv) any other Shares issued to the Custodian as custodian in the 12 months before the Custodian's application under an arrangement similar to the SPP,

in each case, as a result of an instruction given by the Participating Beneficiary to the Custodian to apply for Shares on their behalf;
- (h) that a copy of these Terms and Conditions was given to each Participating Beneficiary;
- (i) where Shares are held by the Custodian on behalf of the Participating Beneficiary indirectly, through one or more Custodians who hold beneficial interests in the Shares held by it in relation to each Participating Beneficiary (**Interposed Custodians**), the name and address of each Interposed Custodian; and
- (j) any such additional or varied information as might be required under any more specific ASIC relief that might be granted to the Company in relation to the SPP.

The offer under this SPP is made to the Custodian as the registered holder, not to the beneficiaries directly.

For the purposes of these Terms and Conditions, a Custodian is as defined in the ASIC Instrument.

If the Shares are held as a trustee or nominee for another person, but are not a Custodian as defined in the ASIC Instrument, that holder cannot participate for beneficiaries in the manner described above. In this case, the rules for multiple single holdings apply.

Custodians requiring a Custodian Certificate or further information on how to apply, should contact the Company's share registry, 1300 737 760 (callers within Australia) or +61 2 9290 9600 (callers outside Australia).

Overseas shareholders

This SPP does not constitute an offer in any place in which, or to any person to whom, it would not be lawful to make such an offer.

The SPP is not being extended to, and Shares will not be allotted to, Shareholders with a registered address which is outside Australia or New Zealand.

Shareholders who have beneficiaries that are not resident in Australia or New Zealand should consult their professional advisors to determine whether any government or other consents are required or whether formalities need to be observed to allow them to accept their entitlement.

Agreement

Eligible Shareholders may only acquire up to a maximum of A\$30,000 of Shares under an SPP or similar plan in any 12-month period (as prescribed by the ASIC Instrument).

By making payment via BPayP® or cheque, the Eligible Shareholder represents and certifies:

- (a) the aggregate of the application price paid for:
 - (i) the Shares the subject of the payment; and
 - (ii) any other Shares applied for or which a Custodian has been instructed to acquire under the SPP, or any similar arrangement operated by the Company in the 12 months before the date of application,

does not exceed A\$30,000 (except when applying as a Custodian for one or more beneficiaries);
- (b) to the extent its application exceeds the amount referred to in paragraph (a) above, it authorises the Company (and its officers and agents) to treat its application as being for such lesser amount of Shares as is permitted by the ASIC Instrument;
- (c) it agrees generally to otherwise be bound by these Terms and Conditions; and
- (d) it authorises the Company to place its name on the register of members in respect of the Shares which are issued to the Eligible Shareholder under the SPP offer and agrees to be bound by the constitution of the Company.

The Company reserves the right and in certain circumstances may be required by the ASIC Instrument or other conditions, to read down, or reject, any application for Shares to the extent it considers that the application (whether alone or in conjunction with other applications) does not comply with these Terms and

Conditions or any statute, law, regulation, statutory instrument or the ASX Listing Rules.

Acceptance

Applications may only be made via BPayP® or cheque, in accordance with the instructions contained in the enclosed application form. Applications will only be open for acceptance on and from Wednesday, 12 August 2020 (**Opening Date**). To be valid, payment via BPayP® or cheque must be received by the Company before 5pm (Sydney time) on Friday, 4 September 2020 (**Closing Date**). Applications received after that time will not be accepted.

Once an application is received, the application and associated payment under the SPP may not be withdrawn and the interest (if any) accruing on the application money will accrue and be payable to the Company.

Calculation of number of Shares to be issued

In the absence of scale back, and subject to an application not being read down, or rejected, due to an Eligible Shareholder's application exceeding the A\$30,000 maximum limit provided for by the ASIC Instrument, the number of Shares to be issued will be calculated by dividing the application money received via BPayP® or cheque by the issue price of Shares under the SPP, then rounding up to the nearest whole Share.

Scale back

The Company is targeting to raise A\$300,000 under the SPP, however the Company reserves absolute discretion regarding the final amount raised under the Plan. If total demand for the SPP exceeds A\$300,000, the Company reserves the right to close the SPP early and / or scale back applications (or to increase the amount raised) in its absolute and sole discretion (subject to the maximum amount permitted under the ASX Listing Rules). If the Company scales back applications, Eligible Shareholders will receive the number of Shares determined by the Company in its absolute discretion (which may be less than the number of Shares applied for). In that event, the number of Shares to be allotted will be rounded up to the nearest whole number of Shares.

If the Company undertakes a scale back, Eligible Shareholders will receive the number of Shares determined by the Company in its absolute discretion which may be less than the parcel of Shares which was applied for. In this case, the difference between the application money received and the number of Shares allocated to the Eligible Shareholder multiplied by the issue price, may be refunded by direct credit (to a nominated account if recorded on the Company's share register) or cheque as soon as practicable without interest.

Price risk

There is a risk that the market price of Shares may change between the date of this offer and the issue date. This means that for the same aggregate application amount, the number of Shares acquired by an Eligible Shareholder under the SPP may be lower than the number of Shares that may be acquired on the market on the date that the Shares are issued.

This offer is not made under a prospectus or other disclosure document. Accordingly, Shareholders must rely on their own knowledge of the Company and previous disclosures made by the Company on ASX.

Issue of Shares

Shares issued under the SPP will rank equally in all respects with all other fully paid ordinary shares in the Company on the date of issue.

Costs of participation

No brokerage, commissions or other transaction costs will be payable by Eligible Shareholders in respect of the application for, and issue of Shares under, the SPP.

Allotment and quotation dates

Shares are expected to be allotted under the SPP on Tuesday, 15 September 2020 (**Share Issue Date**) and the Company will apply for these Shares to be listed for quotation on ASX.

The Company expects to dispatch a holding statement or confirmation advice in respect of the Shares allotted under the SPP on Tuesday, 22 September 2020. Eligible Shareholders should confirm their holding before trading in any Shares that they believe have been allotted to them under the SPP.

Underwriting

The SPP is not underwritten at the time the offer is made. However, the Company reserves the right to subsequently put in place an underwriting for the whole or part of the A\$300,000 sought to be raised through the SPP, depending on the appetite of the underwriter(s) and the proposed commercial terms. Any underwriting would be under the Company's ASX Listing Rule 7.1 capacity.

General

The Company may determine, in any manner it thinks fit, any disputes or anomalies which arise in connection with or by reason of the operation of the SPP, whether generally or in relation to any Eligible Shareholder or application for Shares. The decision of the Company will be conclusive and binding on all persons to whom the determination relates.

The Company reserves the right to waive compliance with any provision of these Terms and Conditions, to amend or vary these Terms and Conditions and to suspend or terminate the SPP at any time. Any variation

in these Terms and Conditions will be notified by a release to the ASX.

The Company may at any time irrevocably determine that an application is valid, in accordance with these Terms and Conditions, even if the application form is incomplete, contains errors or is otherwise defective. The Company and its officers and agents are authorised to correct any error in, or omission from, an application form by the insertion of any missing details.

The Company's rights and discretions under the SPP may be exercised by the Company's directors or any delegate of the Company's directors.

Please contact the Company Secretary for the Company's privacy policy.

This offer is governed by the law of Queensland, Australia. By accepting the offer the Eligible Shareholder submits to the non-exclusive jurisdiction of the courts of Queensland, Australia.

ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547

This offer of Shares under the SPP is made in accordance with the requirements of the ASIC Instrument. The ASIC Instrument grants relief from the requirement to prepare a prospectus for the offer of Shares under the SPP.
